And alternative miracle cures

Astral Healing Technique For Discarnate Spirits, Thought Forms, Limiting Mental Concepts, Psychic Bonds And Mental Coercion

With the vibrational lifting and healing of the Earth, the quickening or ascension process, comes a greater sensitivity and awareness to other realms of consciousness. With the greater sensitivity and expanded consciousness comes the responsibility to heal any unseen negative influences.

There are thought forms, limiting mental concepts, and discarnate spirits often referred to as lost souls, or wayward spirits, ghosts and poltergeists.

These unfortunate souls continue in an emotional and mental body and are bound to Earth because of unfinished business, karmic ties, and unresolved attitudes, emotions, wounds and traumas.

Some are even coercive and desire to manipulate, control and express through others in the physical.

Just because you are dead does not mean you are enlightened.

Love heals and casting them out only sends them away temporarily or they find

someone else to bother. Some of the symptoms are headaches, nausea, pain within the neck, heart, discomfort within the solar plexus, multiple accidents, bizarre erratic behavior, large mood swings, suicidal tendencies and the clairvoyant seeing of gray or dark energies around someone.

If you do the astral healing technique and feel relief, your problem may not be a physical one; yet if the problem persists, by all means get any professional help you think you may need. In the interest of cleaning up the consciousness here and making it easier to access and maintain higher consciousness and energy, we are giving out the process for healing unseen negative influences.

We all have Angelic Guides and Ascended Masters waiting to help in this process. This is a power tool. Don't forget to plug it in and ask for help from on high.

Step 1 Call upon your chosen representative of the Source, all that is, God, through prayer or meditation.

Step 2 Ask that your aura be closed to all but your Angelic Guide or Ascended Master of the Christ Vibration.

Step 3 Tell any discarnate spirits that they are healed and forgiven, lifted and enlightened. Repeat several times until it feels clear.

Step 4 Tell them they are filled and surrounded with the Universal Christ light and the Christ love.

Step 5 Ask your chosen Angelic Guide or Ascended Master to take them to their perfect place.

Step 6 Ask that all negative thought forms, limiting mental concepts be dissolved in the light of truth and all psychic bonds severed.

Step 7 Ask that all auras be closed to all but their own higher selves and that all residual energies be cleansed from every level of your being.

Repeat the above until energies feel clear; there may be many more than one. Remember Love is the ultimate power in the universe and maintain self-authority at all times. Those who are on the path to enlightenment often draw discarnate entities like a moth to a flame; therefore it is very important to use this process in meditation and every day living to keep one's energies clear and help others. You only expand to the level that you feel safe and clear. If you need help e-mail or write to Self-Mastery Earth Institute where daily healing circles are ongoing.

ALTERNATIVE HEALTH TECHNIQUES & SERVICES

There are many people offering testimonials of complete remission of disease which have often been fatal. Regulations demand that we cannot make any claims as to the benefits of using safe natural herbal remedies nor claim that they cure disease, however, we can point you in the right direction to do your own research through other references such as books and Internet sources. We strongly recommend reading Hulda Clark's book [*Cure for All Diseases*](#), and [*The Essiac Report*](#) concerning Rene Cassie and her remarkable results in cancer cases. We in no way are prescribing or practicing medicine, taking the place of your physician, make any claims or are to be held responsible or liable in any way for the use of these products. We are just passing on options and information in service to humanity.

LIVE BLOOD CELL ANALYSIS

Your blood is an integral part of your wellness...

The blood plays an important role in the overall health of every person. It delivers nutrients, hormones and antibodies to the organs and cellular tissues, and supplies oxygen to the cells. Knowing the condition of your blood can make the difference between living a healthy, energetic life, or not feeling as well as you should.

Using a Darkfield Microscope, Live Blood Cell Analysis serves as a screening tool to detect underlying imbalances in the body such as nutrient deficiencies, poor digestion of proteins, fats and carbohydrates, signs of high triglycerides and blood sugar, liver and bowel toxicity, bacteria, fungal forms, parasites, and depressed immune function.

With Live Blood Cell Analysis, you are able to view your blood on a monitor as it is being examined under the microscope. Early detection of potential problems has many benefits including true illness prevention, an increased knowledge of nutrition, and greater wellness.

If you would like more information, call Michele Patten, Certified Nutritionist and Microscopist at (503) 309-7552. Michele has a degree in Biology and Holistic Nutrition and specializes in Live Blood Cell Analysis, Nutritional Analysis and Counseling, and Enzyme and Nutritional Therapy.
